

Physics 4311: Thermal Physics – Feedback Questionnaire

Feb 25, 2025

Lectures

- Overall level: **too easy / rather easy / average / rather hard / too hard**
- I feel I am missing prerequisites **yes (which?) / no**
- I know the math used in the lectures: **always / most of the time/ significant gaps**
- Contents: Of the material covered in the lecture, I already knew
all / most / some / a little / nothing
- Pace: The lectures are **too fast / O.K. / too slow**
- Books: I'm using the textbooks by **Blundell+Blundell / other (which?)**
- For following the lectures, the books are **necessary / useful / unnecessary**
- Further comments or suggestions concerning the lectures? (use back of sheet if necessary)

Homework

- Overall difficulty (NOT the amount of work, see next point for this)
too easy / rather easy / average / rather hard / too hard
- Amount of work compared to other 4000 level classes
much less / less / same / more / much more
- Problem set descriptions: **too vague / sufficiently clear**
- Lecture notes are sufficient to do the homework **yes / no**
- For solving the homework, the text book is **necessary / useful / unnecessary**
- Further comments concerning the homework?
